“

In the words of our clients

"Our working experience with the Commercial Service for developing our export business has been invaluable. They have proven to be highly effective, fast, and consistent in their assistance in helping us establish new accounts and develop business in several international locations throughout the South Pacific, Europe, Mediterranean, and Asia."

- Anthony Mulligan, CEO, Hydronalix

"The Commercial Service team have provided valuable support for our business in India, starting with a productive Tradewinds Mission in 2019 where we established relationships with a number of key customers. Support, guidance, and leadership from the U.S. government is a critical part of a successful export strategy and the U.S. Commercial Service team in both India and Arizona have been a huge part of our recent success. Thank you!"

- Robert Bartrop, Chief Revenue Officer, Source Global

"The Commercial Service is everywhere in the world and has intel that they offer to businesses like our client to promote and encourage export and trade from the U.S. They help businesses feel comfortable about the transactions when there is no good due diligence check available but the Commercial Service."

- Michael Patterson, Partner, Spencer Fane LLP
